Scissor pallet truck electric HU ES 10 A

Product information

General:
Scissor pallet truck with electric-hydraulic lift model HU ES 10 A. Capacity 1000 kg, fork height max. 800 mm. The model HU ES 10 A increases the usefulness of the HU HS 10 A by saving operating time for demanding applications with frequent lifting and lowering operations.

- In case of a battery failure the manual use of lifting and lowering is still guaranteed.
- Quick electric-hydraulic lifting of the load, pressure relief valve protects against overloading.
- Low noise and smooth running due to polyurethane steering and load rollers as standard.
- Additional tilting protection for the load rollers.

Scope of delivery:
- Battery and battery charger.
