Manual drive stacker HV 0516

Product information

General:
Manual drive stacker with manual-hydraulic lift model HV 0516. Capacity 500 kg. Ideal for the occasional, internal application of stacking and transporting of palletised goods, loading and unloading of shelves and lorries.
Features:
- Ergonomic safety control handle for one-hand operation of lifting, driving and lowering.
- Handlebars for easy operation.
- Lowering speed can be finely metered for sensitive lowering of the load.
- Single-acting hand pump with increased lift per handle stroke.
- Robust mast construction with hard chromium plated piston.
- Steering roller with brake for safe parking of the hand stacker.
