Battery PBPA288

Informations du produit

Purpose-built (re)loadable battery with high capacity for Holmatro APEIRON HBP battery pump sets . Designed for extended working time.

- **Extra powerful and large cells**
  These cells heat up less quickly, so you can keep working with your tool while continuously using the maximum battery power.
- **Realtime feedback** on battery temperature and state of charge - Direct feedback, no need to press a button first.
- **Safe** - Although the battery contains an integrated on/off switch for the tool, there isn't any voltage on the contacts until it registers a connection with the tool
