

## Position Rope Ergo Grip SK12 L-0031

### Product information

Holding ropes are for getting into the right working position. The core-sheathed ropes used by SKYLOTEC can withstand extreme edge loads, are resistant to abrasion, remain soft in damp conditions and feature a long service life. It is an extremely simple matter to adjust the ERGOG RIP range with self-locking karabiners with one hand.

**Suspension element:** Coated core rope.

**Material:** Polyamide, steel

**Marking:** According to standard, CE-marked, Supplier symbol, product id, art no, serial no, production year, standards, max. load.

**Temperature range:** -35°C up to 45°C

**Standard:** EN 358, EN 353-2
