Loop SEP 40 kN L-0321

Product information

LOOP SEP was specially developed for working at sharp edges. The tensile force of 40 kN and the flexible casing made from special cut-proof fibres make the loop practically indestructible. The fixing is stitched conically so that the loop does not get caught at this critical point. Maximum load 100 kg.
Hand wash up to: 40ºC.
Max. life time: 10 years from production date.
