

Master Link Assembly Pewag VSW 2-4

Product information

This master link assembly is designed for the effortless creation of II- and IV-leg chain slings in the assembled or welded system. The flattened section on the transition links opens up additional, universal connection possibilities. Extra-large rings make this master link assembly the perfect partner for crane hooks according to DIN 15401 up to no. 40 and according to DIN 15402 up to no. 50.

Material: High-alloy quenched and tempered steel

Marking: According to standard, CE-marked, brand, grade

Temperature range: -40° up to +380°

Standard: EN 1677-4

Safety factor: 4:1

Grade: 10
