

Skyline 3E Rope-operated ladder, 3-part

Product information

General: When you need access to great heights: Optimised transport dimensions, working heights of up to 16.35 m with convenient height adjustment.

Features and benefits:

- Two ropes so that centre and top sections can be adjusted separately.
- Rung-by-rung height adjustment in a grid of 280 mm.
- Wheel assemblies with abrasion-resistant surfaces that will not damage the wall.
- Locks securely thanks to automatic spring loaded pawls.
- The ladders with the part codes 99.XX40448 and 40449 are equipped with 2 light alloy supports for easy erection and stabilisation. (Not to be used as free-standing ladders!)
- Improved plastic guide.
- Replaceable 2-component plastic end caps ensure secure positioning without the risk of slipping.
- Rungs and stiles made from extruded aluminium sections.

Material: Aluminium Marking: According to standard Finish: Natural Standard: EN 131 Cat. Professional Note: Max. load 150 kg.

| Part code | working height approx. m | stile height mm | number of rungs | ladder length, extended m | ladder length, retracted m | outside width of lower ladder mm | Width horizontal stabiliser bar m | Weight kg |
