Web Lashing Powertex Trucker r-PET

Product information

The Powertex Trucker r-PET lashing is a 2-part lashing and used for professional haulers.

The lashing is made from **recycled** high-strength polyester (r-PET) yarn, Cr6 free steel ratchets and hooks. Because the webbing is made from r-PET yarn, this product has a **42% CO_2 reduction*** compared to the standard Trucker Lashing.

This lashing is part of Lifting Solution Group's Aspire range™. In November 2023, this product won the prestigious LEEA Sustainable Award.

Sustainability Fact Sheet Available (see tab documents drop-down menu)

Suitable for professional transporters looking for extra high strength and durability in a web lashing.
