

Super Reeve Connector Swivel Sockets SCS-SW - with pin

Product information

- Dimensional tolerances depend on the manufacturing techniques applied and are different between machined components (pins) and cast components (socket bodies and wedges).
- All sockets are provided with an EN 10204-2.1 declaration of conformity, EN 10204-3.1 material certificate and can be provided with a 2006/42/EC declaration where applicable.
- Also surface finish e.g. hot dip galvanizing may add to the overall thickness and fork distance.
