MENNENS | Lifting Solutions Group Axel Johnson International

Step Platform FPE-PM, Euromaster Premium.

Product information

General:
The Branach EuroMaster Premium Step Platform not only conforms to the EN 131-7 standard, it exceeds it. With features including raised legs, step covers and a rear safety rail, this platform is designed to deliver exceptional performance, while keeping your workers safe.

Features:

- Lightweight and durable yet load rated to 150kgs.
- Sure Step Covers give the user more control and comfort when working at height, while ensuring equal step distance.
- Stongbox joining system gives unparalleled performance in strength and stability.
- Fully integrated front and rear safety rail situated at 0.96m above the deck.
- Fibreglass construction so workers are isolated from the ground making the product suitable for electrical work.
- Raised legs enabling the platform to straddle obstructions on the ground and get 4 points of base support.
