

## Foot Pump PA 18 F2

### Product information

De PA 18 F 2 is the all-round 2-stage foot pump.

- Ergonomic design.
- Light weight; easy to carry and operate.
- Low operating force required; minimal user effort.
- Soft-grip handles; more comfort and grip.
- Anti-slip rubber underneath; pump is stable and does not shift.
- Pump handle lock; easy and safe to carry
- Service- and maintenance friendly; Easy access to and replacement of technical parts without removing the oil tank.
- High oil output; quicker action.
- Accurately adjustable pressure release valve; load can be lowered safely and with extreme control.
- Integrated gauge connection on the pump block; No extra component needed if pressure gauge is used. Gauge can be directly mounted at an angle of 45 degrees.
- Oil level glass in the tank; easily check the oil level in both horizontal and vertical position.
- Integrated filler funnel; top up oil easily and quickly without extra accessories.
- Push & Unlock pump handle lock; unlocking is quick and easy with one push on the pump handle.
