

Trigger Set Pewag VLHWP

Product information

The trigger set for LHWP safety hooks consists of a high-strength safety lever, a spring made from stainless spring steel and a safety sleeve.

For maximum ease-of-use, the sets come with auxiliary material to facilitate assembly as well as detailed assembly instructions.

Grade: 12

| Part code | Code | For hook type |
|---------------|-----------|---------------------|
| 11.17PEW69472 | VLHWP 7/8 | LHWP 7/8, KLHWP 7/8 |
| 11.17PEW69473 | VLHWP 10 | LHWP 10, KLHWP 10 |
| 11.17PEW69474 | VLHWP 13 | LHWP 13, KLHWP 13 |
