

Safety Catches Pewag PSGWP

Product information

The spare parts for PSWP parallel hooks with safety mechanism consist of a safety bolt, a spring made from stainless steel and a nut.

We recommend protecting the nut against accidental release by using a prick-punch or glue.

Grade: 12

Part code	Code	For hook type
11.22PEW85846	PSGWP 7/8	PSWP 7/8
11.22PEW85847	PSGWP 10	PSWP 10
11.22PEW85848	PSGWP 13	PSWP 13
